The Journal of Environmental Education

INDEX FOR VOLUME 16
FALL 1984—SUMMER 1985

Backman, Sheila J., John L. Crompton, "Education Experiences Contribute to Cognitive Development," Winter 1984/85, 4.

Baer, Richard, A., Jr., *Dialogue*, "Thank You, Professor Knapp, But . . . Still more Objections to the Use of Values Clarification in Environmental Education," Summer 1985, 33.

Bedwell, Lance E. "Environmental Education Attitudes of Biology Students, Teachers, and Administrators," Fall 1984, 20.

Borden, Richard J., "Psychology and Ecology: Beliefs in Technology and the Diffusion of Ecological Responsibility," Winter 1984/85, 14.

Borden, Richard J., *Guest Editorial*, "Technology, Education, and the Human Ecological Perspective," Spring 1985, 1.

Caduto, Michael J. "A Teacher Training Model and Educational Guidelines for Environmental Values Education," Winter 1984/85, 30.

Chenery, Mary Faeth, William Hammerman, "Current Practice in the Evaluation of Resident Outdoor Education Programs: Report of a National Survey," Winter 1984/85, 35.

Devall, William, *Guest Editorial*, "A Sense of Earth Wisdom," Winter 1984/85, 1.

Dolin, Eric Jay, "The Urban Environmental Laboratory: A Step in the Right Direction," Spring 1985, 40.

Fortner, Roseanne W., Anne E. Lyon, "Effects of a Cousteau Television Special on Viewer Knowledge and Attitudes," Spring 1985, 12.

Ham, Sam H., Randall D. Langseth, James R. Fazio, "Back to Definitions in Environmental Education: The Case of Inland Northwest Camps." Summer 1985, 11.

Hepburn, Mary A., Lawrence R. Hepburn, "Case Study of the Acid Rain Film Controversy: Political Propaganda or Environmental Education?" Summer 1985, 1.

Honnold, Julie A., "Age and Environmental Concern: Some Specifications of Effects," Fall 1984, 4.

Karst, Ralph R., "Energy Opinions of Southern, Northern, and Academically Prepared Energy Students in Selected Secondary Schools," Summer 1985, 17.

Kellert, Stephen R., "Attitudes Toward Animals: Age-Related Development Among Children," Spring 1985, 29.

Mills, Terence J., John Amend, Dan Sebert, "An Assessment of Water Resource Education for Teachers Using Interactive Computer Simulation," Summer 1985, 25.

Rakow, Steven James, "A Review of Teacher Inservice in Environmental Education: 1970–1980," Summer 1985, 7.

Riggins, Ronald D. "The Colorado Outward Bound School: Biographical and Personality Factors Contributing to the Leadership Effectiveness of Instructors," Spring 1985, 6.

Schoenfeld, Clarence A., *Guest Editorial*, "Fifteen Years and Counting," Fall 1984, 1.

Schwartz, Richard H., "Relating Mathematics to Environmental Issues." Summer 1985, 30.

Smith, Bradley F., "Improving Program Implementation: Hunter Education," Fall 1984, 24.

Stout-Wiegand, Nancy, Roger B. Trent, "Comparison of Students' and Non-Student Residents' Attitudes Toward Local Energy Developments: Environmentalism versus Economic Interests,"Fall 1984, 29.

Tanner, Thomas, "The Evolution of EE as Inferred from Citation Analysis." Winter 1984/85, 20.

Tanner, Thomas, William B. Stapp, Dorothy A. Cox, *Dialogue*, "A Response to **International Environmental Education**" (*JEE14:3*) by Stapp, Cox, Zeph, and Zimbelman; Fall 1984, 39.

Volk, Trudi L., Harold R. Hungerford, Audrey N. Tomera, "A National Survey of Curriculum Needs as Perceived by Professional Environmental Educators," Fall 1984, 10.

Whiteford, Gary T., "Satellite Geography: Tomorrow's Perspective Today." Spring 1985, 21.
